"Must See Attraction"

As you ascend the escalator, imagine that you are a pioneer leaving your home to embark on a journey west by Covered Wagon. Your first stop is Ft. Kearny, midway across the United States, then back on the trail where Chimney Rock looms in the distance. You're engulfed by thunder and lightning but don't worry, you won't get wet!

Watch out for "stampeding" buffalo. Visit the 49'er Gold Miners... be a part of a Mormon tragedy...and discover an abandoned covered wagon. Sympathize with a family who lost a loved one on the trail. See actual artifacts in Journey's Outcome!

Continue your trek through the history of transportation and communication with a visit to a Pony Express Station. See Mark Twain on a Stagecoach, hear the rumble of the Iron Horse and much, much MORE!

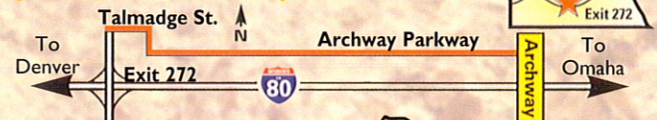

Meek the Mountain Man tells of his discoveries.

"Black Bart, the fanciest harmonica player this side of the Rockies."

Just off I-80 at Kearney, NE Exit 272
